# COMPANY

## 公司简介

无锡市金山北金属制品厂成立于2001年，公司总面积19700平方米，拥有全自动生产线20条，主要生产销售：型钢；带钢；Z型钢；C型钢；太阳能支架；焊管加工等，产品远销美国，意大利，印度，日本，为国外多项大型工程提供完善的配套服务，同时，国内新疆，内蒙古等地的国家重点发电项目，也采用了我公司的产品。经过多年的发展，公司已成为国内生产太阳能光伏支架最具规模的生产企业之一。旗下有三家子公司分别为：无锡金美金属材料有限公司，无锡金苏科技有限公司和金山北（天津）科技有限公司，为更好的服务客户，我公司在新疆和天津分别设立生产基地。

公司注重企业文化建设，不断创新，坚持以质量为中心，以技术为保证，以市场为先导，以同行业的口碑和信誉优势与国内外的众多厂家建立长期稳定和谐的合作关系，赢得广大客户的信赖。

公司近年业务量的增涨，业绩持续增强，厂地也持续扩建。

Wuxi Jin Shanbei metal products factory (hereinafter referred to as "JSB") is one of the world's largest manufactures and solution provider of solar racking system, which designs and manufactures high quality products for roof and ground areas. Whether for small or large-scale projects, tailor-made systems are delivered all the time. We work with companies in Tianjin & Sinkiang to offer our best services to meet your highly requirement.

We are proud of the fact that more than 5GW solar project from worldwide used JSB products: 1.5GW solar projects for overseas. With annual capacity of 2GW mounting structures.

JSB is well equipped to meet the growing solar energy needs of the market.

DOUBLE BRACE

JSB single pole structure specification as fast and easy installation , top hat profile of pile post can adjust to different terrain, special joints and adjustable connectors can suitable for related environmental challenges.

单立柱方案安装快速，结构简便，几字型钢的地桩可适用于不同的地形，特殊可调节的连接件，让此方案可应用在不同的环境下。

- Single pole solutions are high adaptability to different terrain and environment.
- High flexibility and fast installation
- NO need for land leveling
- Driving screw and screw piles are applicable
- Top quality materials and high durability
- No need welding at project site, fully adjustable for a perfectly installation

- 单立柱方案可适用于不同的地形和环境。
- 高灵活性，快速安装
- 无需平整土地
- 地桩和螺旋桩都适用
- 品质优良，寿命持久
- 工厂预安装程度高
- 无需现场焊接，便于安装

# 屋顶系列 ROOF TOP SOLUTIONS

## 屋顶项目 / 彩钢瓦屋顶 TILT ROOF SOLUTIONS

- Ballast system with preformed concrete foundation
- Triangle structure, high stability and reliability
- Preassembly shortened the installation time
- 压载系统由预制混凝土制成
- 三角结构，高稳定性和可靠性
- 组装快速，缩短安装时间

## 公司生产能力 / Powerful Production Capacity

For three production bases of JSB SOLAR, annual production capacity can reach 2GW. With 5GW solar projects from worldwide used JSB products, we have gained huge manufacturing experience and overcome designing and installation challenges in variety of environments. Even after projects commissioned, our customers worldwide can rely on JSB and our comprehensive range of services.

公司拥有无锡、天津、新疆三大生产基地，年产能逾2GW，产品覆盖印度、日本、泰国、意大利等国家，累计发货量超5GW，公司拥有强大的制造力，完善的设计，并且有效的应对各种环境下的产品安装，即使是委托的项目。公司以全方位的服务态度，取得了全球客户的信赖与支持。

# JSB ADVANTAGES

## 优秀的运输系统 / Excellent Available Transportation System

Wuxi is near to Shanghai port, Tianjin is near to Tianjin port, these two production bases can very easy to meet oversea customers' shipping port demanding. Also with Sinkiang production base, the domestic customers can have their goods and some shortages in very short time. Nearby available shipment eliminates the costs of transportation, breakage and packaging.

公司位于无锡和天津的生产基地，临近上海及天津港，满足海外客户对运输的要求，公司位于新疆的生产基地，使得国内部分客户缩短运输的时间。就近运输可避免运输途中产品包装的破损，及由此产生的费用。

时间 **Time:** 2016.3~2016.6

# JSB ADVANTAGES

## 可靠性 / Reliability

As a specialist for solar mounting solutions, JSB always have standards for reliability. For continuous new solutions to meet customers' needs and guarantee the utmost reliability of each product we make. Our structures are designed to last for more than 25 years even in most of the extreme weather conditions like blizzards, high winds, hail and coastal sea spray.

作为解决太阳能安装方案的专家，公司一直坚持标准的可靠性，公司不断创新，以满足客户对不同方案安装的需求，公司拥有超过25年的结构设计经验，即使在最极端的气候，如暴风雪、强风、冰雹和沿海气候等，公司依然保证所生产的产品具有最大的可靠性。

## 质量控制 / Quality Control

Our solar mounting structures are manufactured with fine production lines in accordance with stringent quality process. The compliance we deliver is ensured through one of the most advanced quality control programs ever implemented by a solar mounting structure provider.

公司拥有完善的生产线，通过严格的质量控制，生产最具保障的太阳能支架。作为一个太阳能支架供应商，公司交付的所有合格产品，拥有最先进的生产技术，最严厉的质量控制。
